

What to Expect

At The North Pointe Church, your child's safety is important to us! That is why we go to great lengths to ensure your child is in a safe & secure environment. Each Discovery Zone Team Leader is trained on safety & security procedures and all of our parents and volunteers have been screened for your child's protection.

Upon your first visit to the Discovery Zone, you and your child will receive a registration card and computer generated name tag and parent pick up tag. Our tags contain important information such as allergies & alternate child pick up names that you provide. We give each child a badge number that corresponds with your parent tag. This extra safety measure guarantees that your child stays with a Discovery Team Member until an authorized pickup person arrives.

Little Explorers (Infants – 2 years)

Our room leaders will read Bible stories and sing praise songs with your precious little ones while you enjoy the worship service. Don't forget to bring your child's diaper bag and label them at the registration desk. Please also label bottles, sipper cups, and snacks for your child.

Preschool Pioneers (ages 3-5)

Our preschoolers enjoy puppets, crafts, and group activities with their Bible lessons each week. With guidance from our Preschool Leaders, they will begin to memorize Bible verses and have praise and worship time together. We occasionally provide fruit juice and snacks such as pretzels or goldfish during our service. If there are any allergy concerns, please alert the desk and kindly provide a snack alternative. We are a peanut free facility and never serve snacks with nuts due to this more common allergy.

Elementary Voyagers (K5 – 4th grade)

Our elementary aged kids enjoy a high energy, interactive drama and media program combined with exciting Praise and Worship! Each week, your child will be dragging you into the building to beat the COUNTDOWN! After our large group praise and worship, activities and lesson time, we break out into smaller groups for prayer time and sharing. Your child will have opportunities to earn tickets to the treasure box each week as they memorize their Bible verses!

Route 56 (grades 5 and 6)

Each week Route 56 meets in the Children's Ministry building following the adult praise and worship. Our leaders combine fun, active learning focused on building faith in Christ while encouraging self worth, positive friendships and discussing issues pertaining to TWEENS.

Parent Notes

We wash our linens and sanitize our toys after each service. If your child has a runny nose, temperature, skin rash, or has the appearance of ill health, please do not check them into the DZ. Our room leaders are made up of caring parents and volunteers that have had background checks.

Once your child is checked in and you have a pick up card, feel free to drop in and check on your child anytime! If you are a regular attendee or member we have a calendared schedule available for you to sign up to help serve in your child's class or another area of the Discovery Zone. Our parents are faithful to our children's ministry and work together wonderfully to make the DZ a great place for NPC kids to feel cared for and learn about Jesus!

Elementary Voyagers - Adventures in Science

Venture to the Discovery Zone Laboratory where our dedicated and talented scientists seek to tackle some of the greatest wonders of our time. Here we will discover God's creation, power and omnipresence, as well as the death and resurrection of Jesus and the new life that becomes available to us when we accept this gift. Step into the lab and get ready to examine the mysterious elements and miraculous events of the Bible!
