

Nothing is more important than the spiritual training of your

children. Our Children's Ministry team strives to partner with parents as children come to the saving knowledge of Christ and learn more about Believers Baptism. If your child has been saved and is interested in learning more about Baptism, please contact our Children's Ministry Director, Frances@thenpc.org to sign up for our next class.

We offer this program for children ages 5 – 12 and gather in small groups of 5 to 8 children. After each session, your child will bring home a packet and be asked to go over what they have learned with their parents.

Lesson 1 – Who's in Charge? Discovering God's Character

Lesson 2 – Lost and Found.....God's Plan for Salvation

Lesson 3 - Baptism? Is it for me? Why, What, When, Where, How?

Lesson 4 - Following God's Game Plan and doing what God wants me to do

This class is not a prerequisite for Baptism but is highly encouraged. We love the small group atmosphere where the kids have more opportunity to ask those curious questions and get to know one another. Often times, we schedule the kids who attend the class together to be baptized on the same day. We look forward to getting to know your family better as we minister to your kids!
